### To help protect you from fraud and scams, you'll no longer be able to send Zelle® payments to recipients originating from social media - such as social media marketplaces or messaging apps

Due to the significant rise in social media scams and to help protect your account, we'll be updating our policies on March 23, 2025, limiting your ability to send Zelle® payments identified as originating from contact through social media. As a result, we may:

- Request details about your payment's purpose and how you made contact with the recipient
- Block or decline payments identified as originating from contact through social media
- Decline payments, restrict your use of Zelle® through Chase or take other actions as described in your account agreement if you do not respond truthfully to questions we ask

The updates to the policy become effective March 23, 2025, and will be outlined in Section 2 of the Zelle® Service Agreement, which may appear as a separate agreement or as an Addendum to the Digital Services Agreement. You can review the new agreements beginning January 23, 2025. Here's how to access them:

- On chase.com, log in to your account, click the Main Menu, then select "Agreements & disclosures."
- On the Chase Mobile® app, go to "Legal information" in Profile & Settings or at the bottom of the home page, then "Legal agreements and disclosures."

If you have questions, please call the number on this statement.
